

FIGS AND THISTLES.

Ram's Horn Philosophy Which all May Read and Heed.

A lazy man always hurries to dinner.

Faith always builds its house on the rock.

No man sees clearly until he first sees God.

If we do right God will see that we come out right.

The man who is ashamed of his religion ought to be.

If we had better sight everybody would be good looking.

An unmerciful man is a sinner whom God cannot forgive.

While we are having the bitter God is preparing the sweet.

Times have never been dull in hell since rum was invented.

Ill-gotten wealth cannot build any kind of a house upon the rock.

There is an angel in every stone, if we only know how to get it out.

In time of revival the long prayers should all be made in the closet.

A bird with bright plumage never finds out that it has black feet.

It never took Paul long to get to Christ, no matter who he was talking to.

Any man who is true to God can so walk as to keep the devil on the run.

There are people who can't see anything but poetry in the twenty-third psalm.

Unless a man is first rich on the inside no amount of money can give him wealth.

A Christian's faith should never in any sense be dependent upon his bank account.

Job was tried, not to prove that he was perfect, but because God knew that he was.

You can't always tell by the noise a man makes in church how well he knows God.

God wants us to find out that happiness does not come by getting, but by giving.

Settle it that you are going to belong to the Lord without any ifs or buts about it.

The scales they use in heaven don't give any more weight to gold than to common dust.

A politician can see no more of the public good than he can see from the public crib.

It was because Job took plenty of time to be religious that he kept the devil so busy.

Without God as a beginning there is no such thing as truly and really owning anything.

"Godliness is profitable unto all things," but gold is often a weight that pulls toward the pit.

Lot gave his children to Sodom and lost them. Abraham gave his son to God and kept him.

It is safe to count on God for strength, whether we can see any blossoms on the fig tree or not.

The only knowledge that will keep us from sin in the midst of sin is the knowledge of God's love.

Satan came with the sons of God in the time of Job, and has been keeping close to them ever since.

Riches may be secured by breaking God's commandments, but they cannot be enjoyed without his favor.

Give the saloon keeper a chance, and he will prove to his own satisfaction that rum selling is a noble industry.

If we have faith, God will sometimes let us take a few steps in the dark, but when the test is over we shall have a brighter light.

Give some men a little money, and if they happen to have five or six children, they will soon be so busy they can only pray for them in a bunch.

Some of the old slaves could never realize their freedom, but continued to wear their yoke the same as if a million men had not died to break its bows. So, there are disciples who all their lifetime are subject to bondage because of the fear of death, though Christ hath abolished it. "Stand fast in the liberty wherewith Christ hath made you free and be not entangled again with the yoke of bondage."

Don't Stop Tobacco.

The tobacco habit grows on a man until his nervous system is seriously affected, impairing comfort, health and happiness. To quit suddenly is too severe a shock to the system, as tobacco, to an inveterate user becomes a stimulant that his system continually craves. Baco-Curo is a scientific cure for the tobacco habit in all its forms, carefully compounded after the formula of an eminent Berlin physician who has used it in his private practice since 1872 without a failure, purely vegetable and guaranteed perfectly harmless. You can use all the tobacco you want while taking Baco-Curo—it will notify you when to stop. We give a written guarantee to permanently cure any case with three boxes, or refund the money with 10 per cent. interest. Baco-Curo is not a substitute, but a scientific cure, that cures without the aid of will power and with no inconvenience. It leaves the system as pure and free from nicotine as the day when you took your first chew or smoke. Sold by all druggists, with our iron-clad guarantee, at \$1.00 per box, three boxes (30 day's treatment) \$2.50, or sent direct upon receipt of price. Send six 2-cent stamps for sample box, booklet and proofs free. Eureka Chemical & Manufacturing Company, manufacturing chemists, La-Crosse, Wisconsin.

Thomas Edward Murphy's recent campaign in Connecticut resulted in his securing 80,000 signatures to the pledge.

Aesop's fable of the belly and its members teaches the importance of the stomach to the general health of man. Without the capacity to properly assimilate food, the entire body must soon languish. It is for this reason that Ramon's Tonic Liver Pills stand as one of the most valuable remedies known to the medical profession. They eradicate constipation, correct a disordered stomach, tone up the system and repair all waste. Ask your druggist about this—only 25 cents. Free trial dose.

C. S. Shain, of Pryor, W. Va., writes that his wife was relieved by two bottles of Dr. Fenner's Blood and Liver Remedy and Nerve Tonic and completely cured of all her

Complication of Ailments

by eleven bottles. He says: "She is sound and well. She had been an invalid from childhood. It is the most powerful and wonderful medicine I ever knew."

Dr. Fenner's Blood and Liver Remedy and Nerve Tonic never fails.

It is a Sarsaparilla-Mandrake-Prince's Pine Alternative, Nerve Tonic and Restorative Compound.

Cures biliousness, headaches, constipation, dyspepsia, irritability, sleeplessness, "the blues," swollen glands.

All blood impurities, skin diseases, scrofula, ague, dizziness, "dull and achy," "tired," stomach and bowel disorders, blotches, pimples, moth, syphilis.

Impairment of nerves, offensive breath. It does these great cures because it

physically from the blood, liver and tissues all the impurities, "ashes and debris" as it were.

Without weakening but all the while strengthening instead.

It causes the Liver to throw off its Bile. It cleans out the entire alimentary canal, stomach and bowels alike, ridding them of all effete, offensive and slimy mucus, worms and other vermin.

Restoring sleep, appetite, flesh, strength, comfort, freshness and bloom—in a word health.

Including self-poise to the nervous system, and both sweetness of breath and disposition.

It is speedy in its action, improvement beginning as soon as the first dose is swallowed.

And as certain as the law of gravitation. Note the high standard of testimonials in circular at drug stores and around bottles.

They are such as only the highest order or merit could command—voluntary offerings from the cottage, princely palaces and offices of State.

Recording cures of cases more grave and complicated than ever hitherto successfully reached by medicine.
